Resource Library and Activities

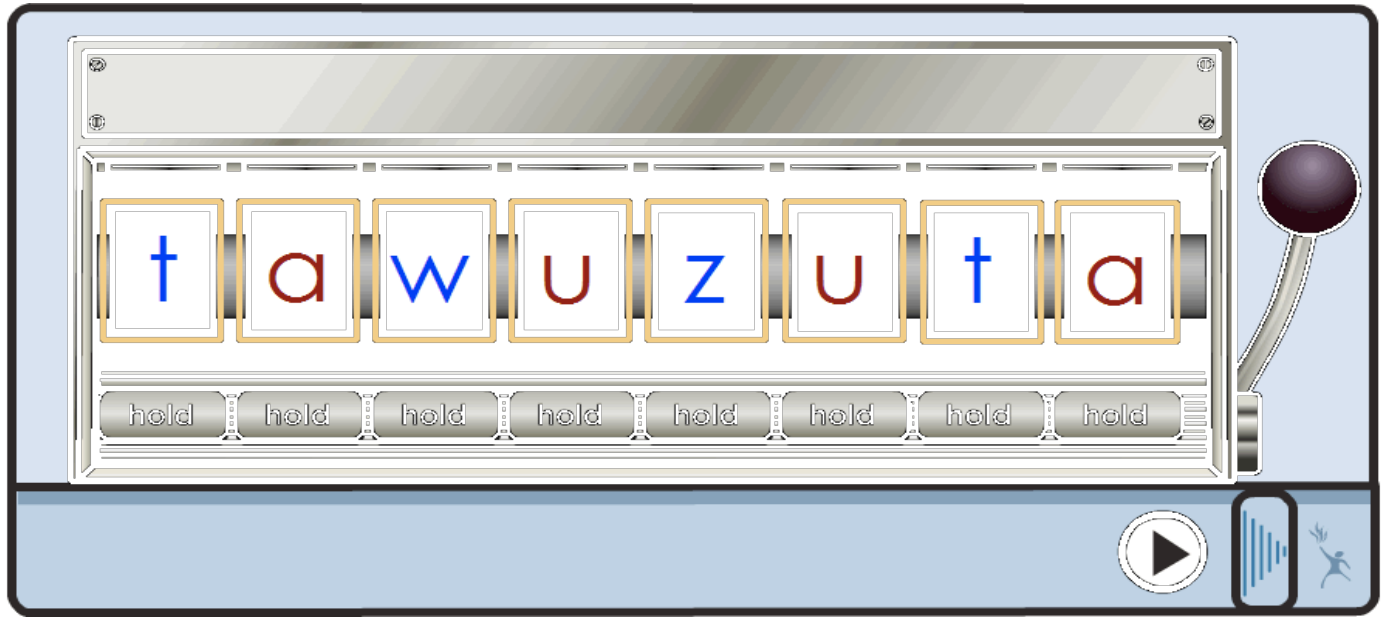

You can view all the resources in your library by selecting the "library icon" on the bottom of the sidebar icons. Explore all the items in your shared resources like images, backgrounds, flipcharts, and activities.

There are 2 example activities that follow this page. :) Happy exploring.

PROMETHEAN

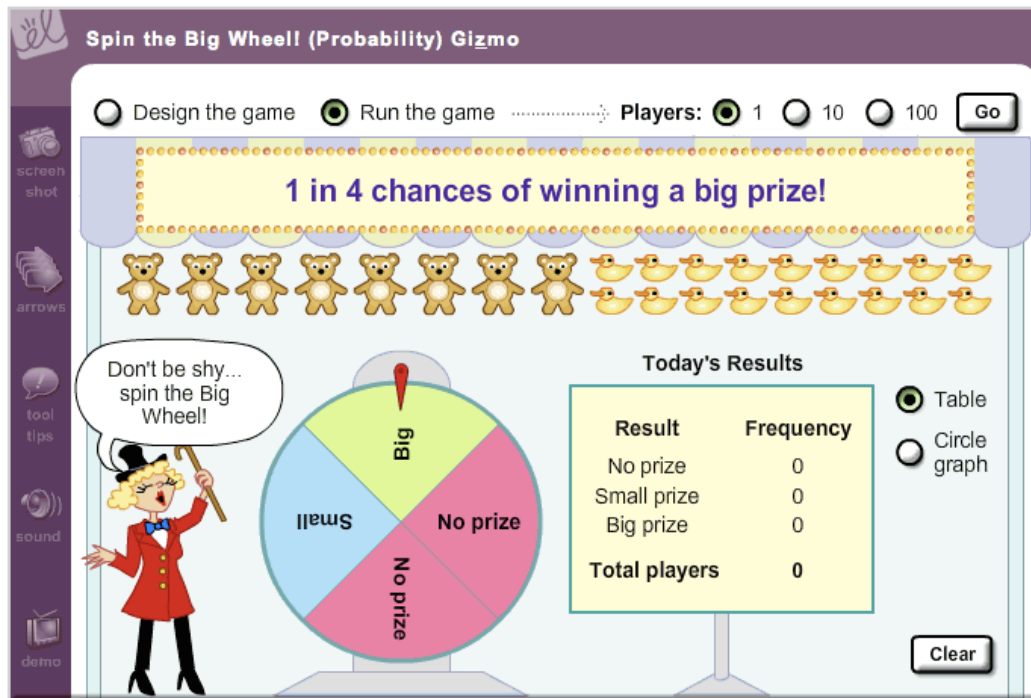

Using flip charts for documentation/ differentiation

PROMETHEAN

What is the likelihood of winning a prize?

How could you change the wheel so there is a greater chance of winning a prize?

What is the likelihood of not winning a prize?

If the wheel was spun 10 times, which one do you think the wheel is most likely to land on?
